**Conferences**

Fall conferences are an important piece of your child's education. It is a chance for you and your child's teacher to sit down, 1-on-1, and talk specifically about how your student is doing in school. Roosevelt teachers are committed to setting aside time to converse with every family, as we believe that that partnership is critical for your child's success.

Please let us know if you are unable to attend at the time you and the teacher have agreed upon. Please be prompt for your conference because there is likely a family scheduled right after you.

We love meeting and getting to know all our Roosevelt families and look forward to visiting with you over the next several weeks.

**Common Threads Harvest Dinner**

This month, please join us for the **8th Annual Harvest Dinner, Thursday, October 26, 5-7pm at Whatcom Middle School Cafeteria.** A

seasonal menu will feature foods grown, prepared and served by kids involved in our programs! The whole family will enjoy live entertainment including craft activities, string band music, garden tours, and the Community Food Co-op's Real Food Show! Please visit our website for more info:

**Survey**

For the next several weeks, Bellingham Public Schools will be surveying parents and guardians, along with students (grades 3, 5, 7, 9 and 11) and staff. Our district's strategic plan, The Bellingham Promise, guides our work and emphasizes our collective commitment to our children. We believe that all children should be loved and that every child can learn at high levels. We need your feedback on what we are doing well and what we can continue to improve. **Please complete this survey by November 21, 2017.**
