Harvest of the Month is Apples

The January Harvest of the Month will be apples and will be served on Jan. 31 in school cafeterias. School lunch will include French Toast Sticks and Sausage served with Cinnamon Apples. It's a great time to try school lunch!

Volunteers Needed

The library is in need of volunteers to help cut material into strips measuring 7" x 1"- I have a few bags of material that could be cut at home. The students are making a rag rug to donate to Mrs. Niles' non-profit (Happy Tails Happy Homes) and we need to get it finished this year! If you can help, please contact Denisa Anderson 676-6470 x 5740 denisa.anderson@bellingshamschools.org We could send the material home with your student! Thank you!!

Required Notification: Citizen's Complaint Process:

It is a requirement that we inform families of the formal complaint process for resolving issues of violation of a Title I Federal regulation. If you have a concern with Title I services and/or regulations we encourage you to contact your child's Title I teaching team, Tom Gresham, principal and/or the district's Title I office (676-6542). You can also access the Citizen's Complaint Process through the Office of the Superintendent of Public Instruction (OSPI) in Olympia. Forms are available in the office and the links below have all of the information for filing a complaint through OSPI.

Links for citizen's complaints should be placed on Title I documents for parents and community

Recess Information

With the colder weather upon us, please remember to label your child's clothing- the Lost and Found quickly fills up and we are unable to get coats to their owners because of not having their name written in. It truly helps everyone.

Winter Family Fun Night

Join us for a cozy night of reading, cocoa, and cookies! Wear your Pajamas and bring something to snuggle!
